

TOP 7 REASONS

Employees RAVE about their healthcare flexible spending account

- 1 "I have enough money when we have to pay for doctor visits and prescriptions."
- 2 "I'm able to decrease the amount of my out-of-pocket costs for medical, dental and vision care."
- 3 "It's easy for me to pay for out-of-pocket expenses when I need to pay for them."
- 4 "I save a lot of money on braces for my kids."
- 5 "I can decrease my cost of prescription drug copays for my monthly medications."
- 6 "I save money using my healthcare FSA for all our family's over-the-counter medications like Tylenol, Zantac and Claritin, and we don't need a prescription!"
- 7 "We save hundreds of dollars between my husband's monthly medications, and my kids' trips to urgent care."
